# To Achieve The Future, You Must Have Your Goals In Sight . . .

In keeping with the theme of this year, the annual staff has decided to dedicate this book to our science officer, James Dugan. Mr. Dugan was born right here in Colorado. He attended and graduated from Greeley West. He decided to further his education to Colorado State University in Fort Collins. While there, he earned his bachelor's degree in Physical Science. One day after graduation, he married his soon-to-be wife, Colleen. Their marriage was begun in the year of 1971.

Mr. Dugan and his wife then moved to Boston, Massachusetts. They lived there for two years. While in the state of Massachusetts, Mr. Dugan attended Boston University. He earned a Master's degree in Science Education. They had their first child in Boston. The child's name is Joe.

After completing this adventure in their lives, the Dugans moved back here to Rifle, Colorado. Mr. Dugan taught there for two years. At this school he taught every subject made available to the students at that time.

Ending his job in Rifle, Mr. Dugan and family moved near Sheridan. He began teaching here four years ago. While here, he has taught mathematics, general science, physical science, chemistry, and physics. Mr. Dugan not only has taught, but he has also coached. The sports that he has coached are: Volleyball, baseball, basketball, and football. He is also the sponsor for Student Council.

Not everything about Mr. Dugan is serious. He enjoys playing the guitar, reading good books, and is very into sports. He likes to watch *Monty Python* and *Nova*.

During this last year at Sheridan, the Dugans have increased their family by one member. Mrs. Dugan has had a baby. We wish them all the luck in the world with their new little one.

Mr. Dugan is working on the math curriculum here at Sheridan. He has some great ideas and hopes for many new advances in the near future. We are very lucky to have such a talented man on our teaching staff. Thanks, Mr. Dugan, for all your hard work and wisdom. With this, we present to you, Space, the final frontier .....

# School, The First Frontier . . .

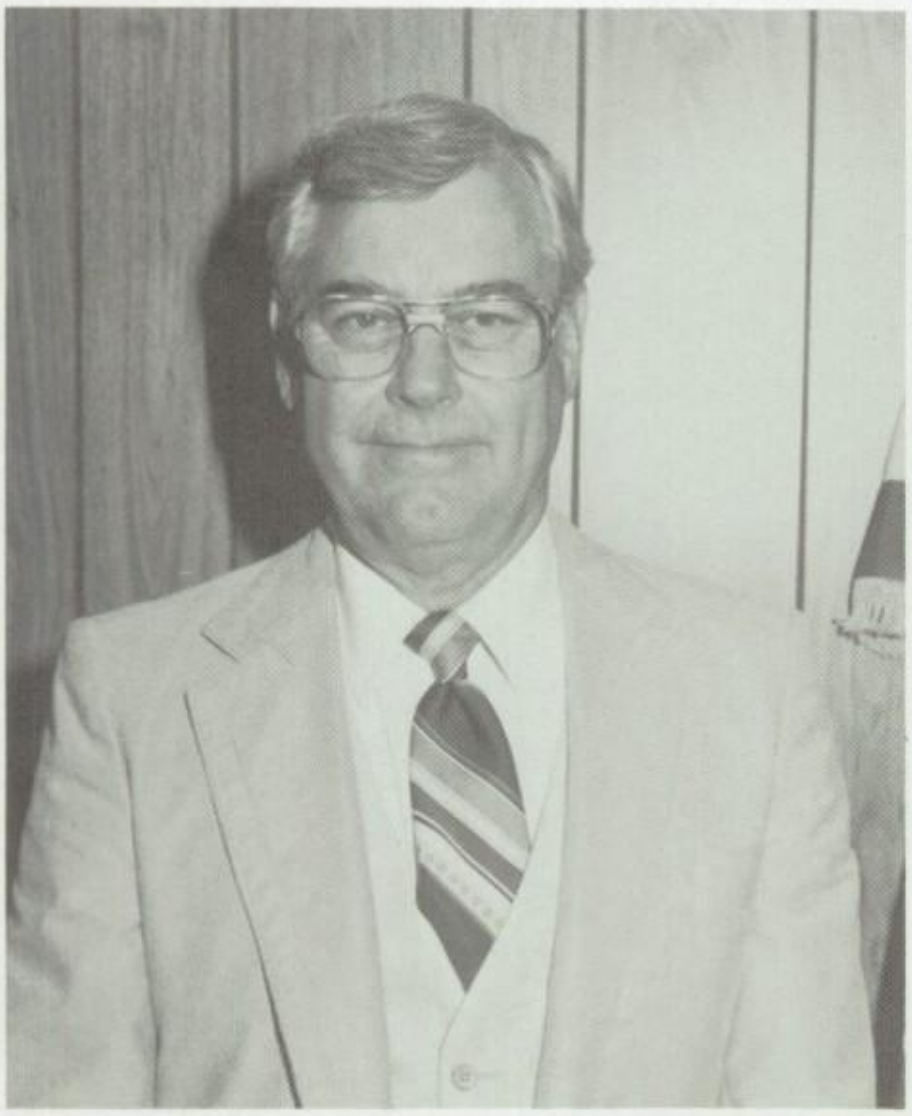
These are the voyages of the Starship Sheridan. Its four-year mission: to explore new worlds of knowledge, to seek out new learning and new experiences, to boldly go into the future, where no man has gone before.

The class of 1980 is about to disembark from their journey and leave the Starship Sheridan. They have changed and grown since they first boarded as freshmen in 1976. On several occasions they have taken over the helm. Now they are adults and will leave the ship forever, to go on to new frontiers.

# The School Board Plots A Steady Course For The Future

Left to right: Leo F. Davey, Superintendent; Louis Harding, Acting Treasurer; Dorothy Carter, Vice-President; Robert Sitler, President; Donald Langlett, Secretary: Missing, Edward Junk, Treasurer. These are the people who make policy for the school district and make sure that Sheridan High School makes its way into the future safely. For their devotion, we give all members of the school board a sincere thank you.

# The Command Of The Starship Is — The Bridge



James Martin, Sheridan High School Principal

Above: Leo F. Davey, Superintendent
Below: Art Wollenweber, Sheridan High School Vice-Principal

Starship Sheridan is controlled by the Bridge-The Administration Office. Mr. Martin is our captain, Mr. Wollenweber is the first officer. They get their commands from the Admiral, Mr. Davey. Because of these men, the Starship Sheridan steers a steady course toward her distant goal. Without these men to supervise the running of our Starship, Sheridan would for certain stray from its course. In the future, we hope that there will always be dedicated men and women to guide the ship for the next generation. Though it is not very often said, the crew and passengers of the Starship Sheridan are gratefully indebted to these men and wish to offer them the best out of life.

# Student Council Leads The Way In 1979- 1980

1st row: Barbie Bowen, Bernadette Cordova, Aaron Todd, Missy Olearnick, Mr. Dugan (sponsor), 2nd row: Randy Salazar, Pam Walker, Mary Manuel, Debbie Engel, Pam Chavez, Mitch Keller, Mike Fehr. 3rd row: Joe Mendoza, Barbara Gleason, Suzie Sands, John McKinley, Bob Chavez, Armando Solano. Not pictured: Mike Howard, Billy Ray, Darlene Feist, Joy Sauer, Barb Maschka, Greg Engle, Dorothy Martinez, Rhonda Salee.

This year's Student Council is sponsored by Mr. Dugan. Mr. Dugan has sponsored the council for the last three years and has dedicated many extra hours for its improvement. Over the summer, Mitch Keller had the opportunity to attend the National Leadership Training Center held at Estes Park. During the year, Mr. Dugan, Joy Sauer, and Mitch Keller were able to attend the State Student Council Conference held at Fort Collins. Seminars, such as these, enabled our members to gather and share ideas with other Student Council members from the rest of the nation.

Picture right are the Executive Student Council members. 1st row: Pam Chavez (treasurer), Joy Sauer (Student Body vice-president), Missy Olearnick (secretary), 2nd row: Bob Chavez (Freshman Class President), Mitch Keller (Student Body President), Joe Mendoza (Senior Class President), Mr. Dugan (sponsor). Not pictured: John McKinley (asst. treasurer), Debbie Engel (Junior Class President), Barb Maschka (Sophomore Class President).

# Roger Eighth Woodlee To Graduate From SHS

Arlon and Roger — the first and last

Don

Roger

Brian

Mike

Woodlee is a well-known name at Sheridan. From Arlon who graduated in 1967 to Roger (1980), there have been Woodlees at SHS — a record which will be hard to beat. In between the oldest and youngest were: Don, Dave, and Chuck (1969, 1970, 1973), Mike, Brian, and Mary (1976, 1977, 1978). All the boys were involved in football except Dave, who starred in Cross Country, basketball and track, and was state champion in the mile run in his freshman year. Brian was also a swimmer; Chuck starred in baseball; Arlon in basketball and track, where he set a record in the triple jump. Mary was in Pep Club and Pom Pon, volleyball and Swing Choir. Her brothers also sang in choir; Roger has been in Aries Swing Choir this year. Farewell, Woodlees! Sheridan is richer for your having been here.

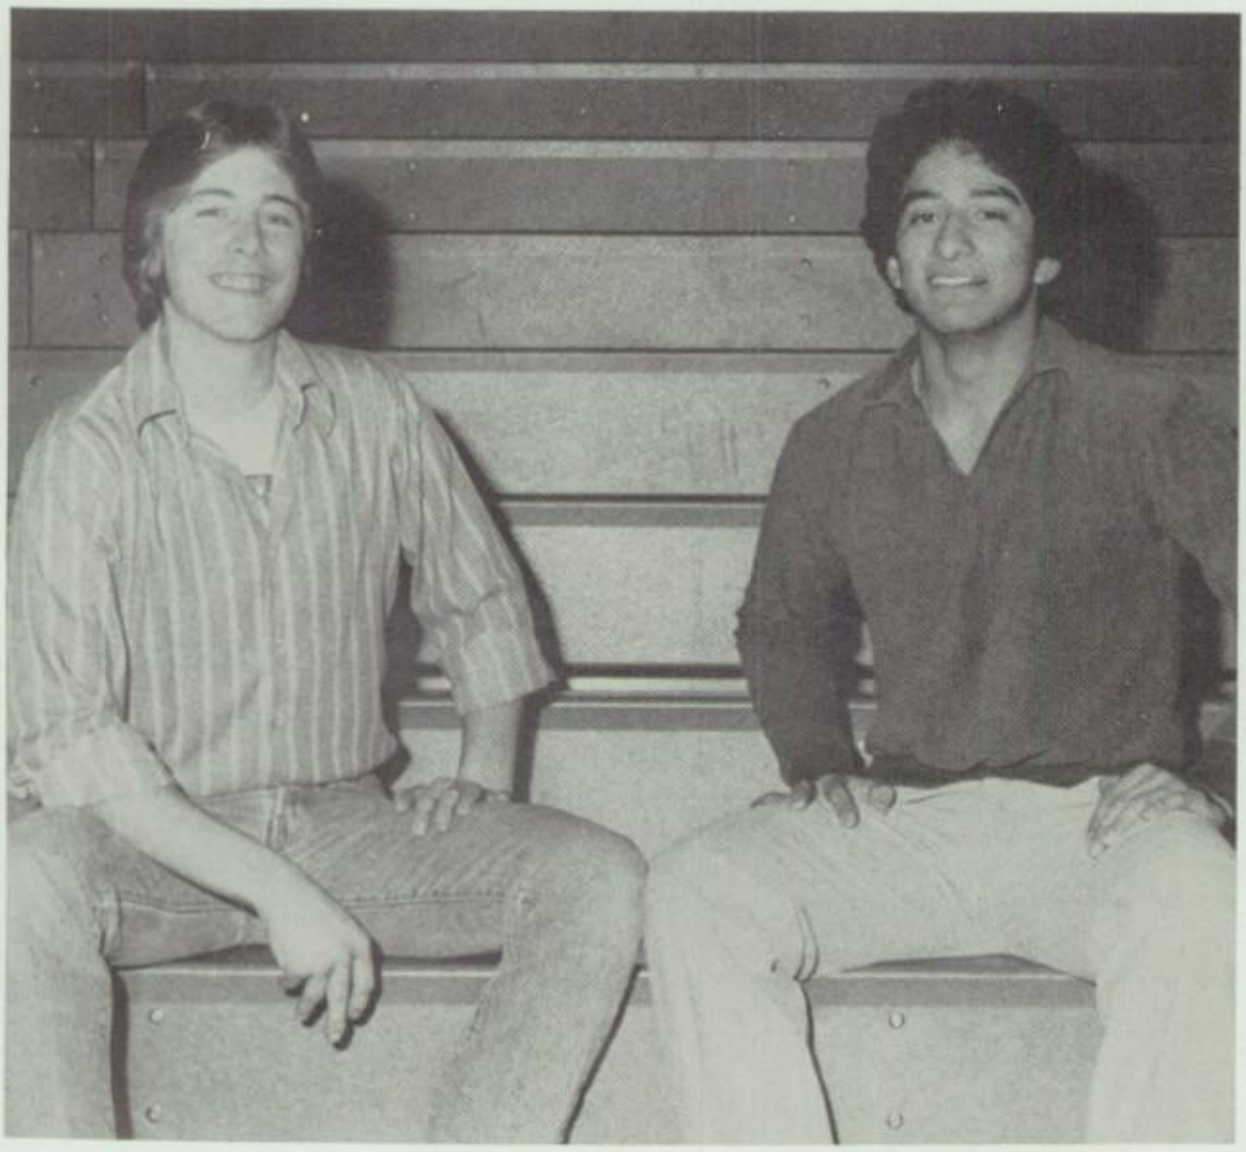
# Boys' & Girls' State Is Held At CSU



*Above:* Burrell Graves and Joe Mendoza. *Below:* Mary Miller, Wendy Carver, and Charlene Hicks.

Boys' and Girls' State is sponsored by the American Legion and the American Legion Auxiliary. This year's conferences were held at Colorado State University in Fort Collins. To attend, one must possess such desirable characteristics as leadership, honesty, personaltiy, enthusiasm, vigor, cooperation and above all good citizenship. Some objectives of Boys' and Girls' State are to develop civic leadership and pride in American citizenship, to provide a place for a functional study of citizenship and arouse a keen interest in the detailed study of our government.

# Aries Swings Through Colorado

ARIES, Sheridan's Swing Choir for 1979-80, is a select singing group, chosen by audition. ARIES performed in four concerts with the Jazz Band, and participated in a choreography workshop at Colorado State University in November. In December, the Swing Choir performed at the F.H.A. District Convention in Denver. In February, they took part in a Jazz Festival at the University of Northern Colorado.

## The Final Fronteir.

We look toward the future with discovering eyes. Things that used to be new, revolutionary, and different are now old and obsolete. The future holds dreams, hopes and concerns unthought of in today's primitive civilization. It is our duty to go where no person has ever trod before in a lifetime . . .
